Graham's Vintage Port 2004	20%	50	£3
<i>Renowned for their remarkable richness, concentration and firm tannic structure, created from a harvest of exceptional quality which occurs only 2-3 times in a decade.</i>			

Drinks

Our bar menu has been developed taking into consideration our local suppliers.

Although we have an abundance of local cider and beer suppliers, our wine was a little more difficult to source. We have, however, been able to take advantage of a wine merchant based on the Quantocks who has expert knowledge regarding the wines available throughout the world.

Chris from The Quantock Abbey wine merchants shares his enthusiasm with students through wine tastings throughout the year and provides our guests with wine which is not available in the supermarkets.

Our beer travels only 10 miles from Exmoor Ales in Wiveliscombe. We also serve cider from The Taunton Cider Company.

Our soft drinks are produced in Devon by Luscombe who have become synonymous with quality, blending Dartmoor spring water to create a variety of flavours.

We are proud to support Frank water who donate all of their profits to areas where people are dying from drinking dirty water, we have committed to do the same with any profit we make from the sale of our sparkling water. Frank Water are building a water-secure future where the world's water sources are protected from the impact of the climate crisis and where everyone, everywhere has long term access to safe water, decent toilets and good hygiene. To find out more visit frankwater.com

Our suppliers do more than just appear on our menus. They often host workshops here at the College and welcome us to their production sites, enabling our students to see the journey from crop to bottle.

Our students, who are mainly under 18, have not had experience serving or drinking many of the items which appear on our menus. Our students learn the foundation of knowledge related to all types of drinks as well as accompaniments throughout the year.

We hope you enjoy the available selection and if you are aware of local suppliers you think would complement our menus, please let one of our team know.
